Parents,

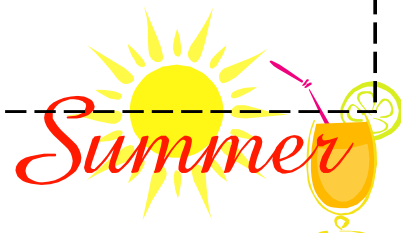

It has been such a privilege to work with your children this year. I want to thank you for everything each of you have done to make our year successful. I can't believe this is my last year and I know I will miss the kids terribly.

Summer is always a very busy season. Please remember to save some time to have your child read and practice Math facts. That will help get their next school year off to a good start.

I have many great memories of St. Rose to take with me. Many of those memories will include your children.

Thanks for everything,
Kim Brede

The 3rd graders are looking forward to the sleepover. We have a lot of fun things plan. If you need to get a hold of me that evening for any reason, call my cell, 920-6730 or the school number 526-7484 ext. 239 or 240.
