

2nd Grade News

November 20-24, 2017

We're Learning.....

Reading

This week the students will be working on their Thanksgiving packets. *We will not be working on a new story, Spelling, or vocab words due to the shortened week. We will resume our normal schedule next week.

Math

Students will learn to use logical reasoning to solve problems and read and write numbers to 1,000. Study all the addition facts over the break. Our next fact test is next Thursday, 11/30 over +8 facts.

Science

This week, we will learn about animals without backbones (invertebrates).
