## What We're Learning.....

### Reading/Language Arts

This week there is no new story from our reader. Instead, we will spend time reviewing skills that we have covered over the past several weeks including: story structure, sequencing, character traits, and nonfiction text features. There is no story test this week.

### Math

This week the students will continue Chapter 9: Data Analysis. This week students will learn to make bar graphs and answer questions about bar graphs. They will also learn to make a table to solve problems.

This week the students will learn their – 5 facts. The test over these facts is next Tuesday!!

### Science

This week we will learn about the Changes on Earth including earthquakes, volcanoes, erosion, and weathering.
