

2011

St. Rose Halloween Party Worklist

The Halloween party is Friday October 28th. The party for children through 4th grade will be held at the gym from 7:00pm to 9:00pm. Doors will open at 6:30pm. Each child needs \$2.00 for admission. The children will also need money for the penny raffle and the basket raffle, as well as a container for their candy. Only students enrolled in St. Rose School will be allowed to buy tickets for the **Class Basket Raffle**.

The party for students in 5th thru 8th grade will be held at the park from 7:00pm to 9:30pm. The fee for the middle school students is \$3.00. Students will also need money for the penny raffle and the basket raffle.

Workers are needed to set up games and to decorate the gym on Thursday, October 27th at 7:00pm. We need as many people as possible to help so this goes smoothly and quickly.

Parents are asked to send either 2 small bags or one large bag of candy, fruit snacks or other treats per child for students in grades K thru 7th. No gum please. Students in 8th grade are asked to bring 1 two-liter bottle of soda. These items need to be turned into the classroom by Thursday October 27th. Parents with the last names R - Z are asked to bring 2 dozen cookies to the party on Friday evening.

This year you will have the opportunity to have your child's picture taken in their Halloween costume. This will be set up in the cafeteria and pictures will begin prior to the party.

Finally, please remember to donate to the classroom baskets if at all possible. Many of the baskets still need items and we would like to have all donations for the baskets in by Tuesday October 25th.

In order for the party to be successful for the children, we will need everyone's help throughout the evening at games and tables. Please see the attached work list. If you are unable to work your shift, PLEASE FIND A REPLACEMENT OR SWITCH WITH SOMEONE. Any questions, please call Kellye Holtgrave at 526-2935.

ADMISSION 6:30 - 7:30
(North entrance by the cafeteria)
Sherry Fisher Amy Kampwerth
