

READING NEWSLETTER

Summer break is almost here! Please continue to read daily with your child. Reading throughout the summer will help students retain their reading growth. They have worked so hard this year. Help your child select books that interest them. Daily reading for enjoyment will help to promote a lifetime of love for reading.

Summer School forms have been sent home. If you need another copy please email me and I will send one home. There is no cost for the summer school reading program for Title I students.
